Want to see your child in our Program book? Order your dedication page today. This is a great keepsake of our year. Program books are for sale during our Spring 2018 Recital. Student who purchase a half or whole page dedication page will receive a free program book. We would like for as many students to have a page dedicated to them. Ask grandparents, aunts and uncles, businesses to purchase a page for your student. There is no limit to how many pages you can have. You can include business cards, logos and pictures. If you purchase a ½ page or a whole page, you may include an individual picture of your dancer. We will choose his/her dance picture taken at the studio in April or you can provide your own.

The student with the most dedication pages will receive one free registration fee, one free costume fee and one free recital fee for the 2018-2019 year.
