

Trix Acro Gym Walk through and Protocol Manual (updated for COVID 19)

Please see the following covid protocol procedures related to drop off, pick up, PPE, personal sanitization and gym cleaning procedures aimed at keeping your kids and our staff safe and healthy.

To understand the flow in the gym space please see the attached map for additional details.

Area	Protocol/ Notes
Entrance/ Drop off	<ul style="list-style-type: none">● There will be two entry ways for the students to access the gym (main entrance1 and gym doors entrance 2)● Class times will have a designated entry door and designated holding area for their personal belongings. Please look for a staff member outside the facility to guide you to the correct doors● Parents must accompany students to the gym entry area to answer screening questions related to covid on behalf of their child● Parents and students are asked to wait in a line socially distanced based on the pylons● Students must enter the facility wearing a mask. Masks aren't worn in the gym for the gymnastics activity● Students will be directed to wash/sanitize hands upon entry● Parent with children over the age of 4 are not permitted to enter the facility
Exit/ Pick up	<ul style="list-style-type: none">● Students will hand wash or hand sanitize after class● Students will exit from the same door they entered from● Parents should be visible in the parking lot for children to identify them. A staff member will ensure they connect with their parents safely
Water bottle areas	<ul style="list-style-type: none">● Water bottles are permitted in the gym space● Designated water stands are in specific areas throughout the gym to minimize movement to other areas with other groups
Cleaning	<ul style="list-style-type: none">● Entire gym will be sanitized by a fog machine at least 2 times per day● Each event/area in the gym will be sanitized after every timeslot● Groups must maintain social distance from one another, and attempt to do the same within their group as well● The gym space will be ventilated with our air exchange each night. The air exchange system draws out the old air and pulls in new air● When the weather permits the garage doors and front doors will remain open to allow for a free flow of air into the gym space● All common areas are cleaned intermittently during the day and also at the end of the day
