Papamoa	DYNASTY Senior Jazz Troupe IO	Chloe W.	Wednesday
Papamoa	Rise Jazz Academy IO	Chloe W.	Wednesday

Studio Rehearsal Day will be on **Saturday 24th September** at the Rise Papamoa Studio – 18 Enterprise Drive, Papamoa. It is important that all dancers are at Studio Rehearsals so that they can practice on a stage-sized space with their full class. Classes will also get feedback on any final improvements they need in the lead-up to the show. We also gather all the staging, lighting, plotting and theming information from this Studio Rehearsal Day.

Each Class will be given a 1-hour time slot where they (and other classes) will be at the studio and go through the studio rehearsal process. We will get this itinerary out to everyone with the next Show Newsletter.

Over the next coming weeks, dancers in show classes will begin trying on costume samples based on the theme/dance that they are learning and will be performing for the show. Every dancer will try on samples, so that we can ensure the correct size show costume. Costumes will not go out to dancers until mid-late Term 3. This is a big process, that takes plenty of time and effort to get right. We must stay on top of this process while national and international shipping and product availability remain affected in the fallout from Covid.

Our 2022 Rise Show theme will be officially announced with the second Show newsletter later this term. We can't wait to share with you all the excitement for this year's show and some of the awesome ideas our teachers and dancers will be putting on stage to celebrate this year.

If your dancer can't make the 2022 Rise Show (based on their class dates above) please let us know at your earliest convenience. We understand a show in the school holidays isn't absolutely ideal, however it was our only option of getting our shows back at Baycourt – a venue that offers a much better atmosphere and experience for our dancers, staff/helpers and parents/spectators.

Regards,

The RISE Team
