

2021 Spring Recital Photo Shoot

To: Parents and Students

From: Jason Tupeck Photography

Who will be photographed:

Only Studio M Students who have purchased class photographs will have their photo taken with their class.

What you will receive:

For each class you purchase, you will receive:

- One *Group* photograph with your child as part of that class group.
- One *Individual* photograph of your child for that class.

These are high quality images which are photographed in a digital format and personally retouched, as to assure an elegant photograph of your child against a stylized background of the Studio's choosing. Your images will print beautifully at any decent, quality photo lab online such as Mpix.com or Shutterfly.com.

How you will receive your images:

My aim is to have your digital images available via download from my online gallery within 4-6 weeks of the shoot, hopefully sooner. All photographs of your child may be printed and shared with your friends and family and will come with a print release form, if needed. The photos will NOT be on a pure white background, as you may have seen in the past, which requires heavy editing. This will help to make the turnaround time much less while still producing a fantastic result!

What you need to do:

- Order your desired photo package online in the Studio M Parent Portal at least one week prior to the photo shoot. This will help to avoid delays and confusion during photo week.
- Studio M will fill out the order form on your behalf.
- *Make sure your email address is printed legibly, so that the photo download instructions can be emailed to you from Jason.tupeck@gmail.com.*

Payments will be charged via the Studio M Parent Portal ahead of the photo shoot.

Individual Student Pricing is as follows:

One Class	2 Classes	3 Classes	4+ Classes	Bonus - Siblings
\$40	\$70	\$100	\$120	+\$10 (one time)

* **Students who pay \$120** - We have set a \$120 maximum per individual student. With this package, a single student may be photographed with each and every one of their classes. If the student is in Studio M Company, they will also receive all Company group photos as a bonus. *(Company photos are not part of the class photos and cannot be purchased separately.)*
